# STARS ENJOY AN ART ATTACK

Lily Cole, Jo Wood and Nathalie Emmanuel were just a few of the names in attendance for a private view of Iranian-French artist Sassan Behnam-Bakhtiar's latest exhibition. The exclusive event, held at Villa Santo Sospir, once Jean Cocteau's home in the heart of the French Riviera, gave the art-loving celebrities the rare chance to explore the historic building while viewing the pieces. They then enjoyed dinner at the Grand-Hôtel du Cap-Ferrat.
